**REMARKS**

Applicants have cancelled claims 1-5, 14, 27, and 33-36 herein. Applicants have amended claims 6, 15-16, 20 and 28-29. Claims 6- 32 are pending following the entry of the above amendment. Claims 6 and 20 are independent.

Applicants thank the Examiner for the indication of the allowability of claims 14-16 and claims 27-29. Applicants have amended independent claim 6 to include all of the provisions of claim 14 (which depended directly upon claim 6) and have amended claim 20 to include all of the provisions of claim 27 (which depended directly upon claim 20). Applicants have also amended claims 15-16 and 28-29 to correct dependencies. Accordingly, as independent claim 6 now includes the provisions of claim 14, which was indicated to be allowable, Applicants respectfully submit that claim 6 as well as claims 7-13 and 15-19 which depend upon claim 6 are now in order for allowance. Similarly, as independent claim 20 now includes the provisions of claim 27, which was indicated to be allowable, Applicants respectfully submit that claim 20 and claims 21-26 and 28-32 which depend upon claim 20 are now in order for allowance.

Following the inclusion of the allowable subject matter into the independent claims, Applicants respectfully submit that the pending 35 U.S.C. 102 rejections directed to claims 6-13, 17-26 and 30-32 have been rendered moot.

Applicants have canceled claims 1-5 and 33-36 in an effort to expedite prosecution of the instant application. Applicants reserve the right to pursue the same or similar scoped claims in another application.
